## Special Ability Scholarships *Information for Sports Candidates*

Applications for IGGS Special Ability Scholarships are open to **students entering Years 7 to 12** who are able to demonstrate contribution to the School's sporting activities through their participation, their representation of the School in competition and their encouragement of other students in the School's sporting life.

Selection is based on the applicant's portfolio and an interview with the Head of Sport and the Principal and/or a member of the School's Executive Team. Students must have a record of excellent behaviour. The scholarship represents up to **50% remission of tuition fees**.

Your **portfolio** should include:

- details of performance levels in the sport(s), e.g. times, distances and grades
- a list of representation at Regional, State and National levels which can be provided by the QGSSSA or equivalent school State sporting organisation (this information should be presented either as a print out from the organisation of which you are a member, or in written format with the signature of the Regional Sports Officer)
- information about participation in special sports or coaching programs
- at least one reference from a manager or coach of a club or representative team that can attest to your achievements, commitment and sportsmanship.

### **Selection Criteria**

- Ability to comply with the School's guidelines for appropriate behaviour, uniform and use of technology.

### **Conditions**

- Scholarships offered to students entering Years 7, 8 and 9 are tenable until the end of Year 10, subject to review. Existing scholars are encouraged to re-apply in Year 10 to extend their scholarship through until the end of Year 12.
- Scholarships offered to students entering Years 10, 11 and 12 are tenable until the end of Year 12.
- This means that if the conditions of the Scholarship continue to be met, the student retains the Scholarship for the tenure or until she leaves IGGS. Scholarships are not means tested.
