Performing Arts Pockets

Commitment

Once you have made a commitment to one or more Ensemble, Choir, Dance Troupe and/or Theatresports group you must:

- Attend weekly ensemble, choir, Theatresports group and/or dance troupe rehearsals;
- Demonstrate 100% commitment in all rehearsals, performances and competitions;
- Participate in all ensemble, choir, Theatresports group and/or dance troupe rehearsals, performances, and competitions
- Support your ensemble, choir, Theatresports group and/or dance troupe.

It is essential that all ensemble, choir, Theatresports group and/or dance troupe members remember that they are performing in an ensemble and should aim to create a well-balanced performance.

Attendance

Attendance rolls are kept in order to determine pocket eligibility of the students in the music, choir, Theatresports group and/or dance groups throughout the year. It is, therefore, essential that students advise the appropriate Director/Director of Co-curricular Arts PRIOR to an absence. For example, an absence due to illness, injury or school sporting commitments, which will impact on REHEARSALS and COMPETITION/PERFORMANCES (refer to Pocket Eligibility). Students may forfeit their eligibility for a pocket, if they fail to inform the appropriate Director/Director of Co-curricular Arts, of their absence, in writing, from the parent/guardian prior to the event. Remember, you must attend a minimum of **90%** of *all group rehearsals* and **100%** of *group performances* to qualify for a POCKET at the end of the year.

It is advised not to schedule specialist appointments during the weekly rehearsal times. If this is unavoidable prior notification, in writing, from the parent/guardian of the student must be received by the Director of Co-curricular Arts at least one week in advance.

Without this written confirmation, the individual student's attendance record may be affected.
