Health and Safety

The School has written processes in place to enable it to comply with the requirements of the Work Health & Safety Act 2011 (Qld) and the Working with Children (Risk Management and Screening) Act 2000 (Qld).

Responding to Reports of Harm

When the school receives any information alleging 'harm'¹ to a student (other than harm arising from physical or sexual abuse) it will deal with the situation compassionately and fairly so as to minimise any likely harm to the extent it reasonably can. This is set out in the school's Child Risk Management Strategy. Information relating to physical or sexual abuse is handled under obligations to report set out in this policy².

Conduct of Staff and Students

All staff, contractors and volunteers must ensure that their behaviour towards and relationships with students reflect proper standards of care for students. Staff, contractors and volunteers must not cause harm to students³.

Reporting Inappropriate Behaviour

If a student considers the behaviour of a staff member to be inappropriate, the student should report the behaviour to:-

- Rebecca Sullivan (Dean of Students) or Nicolee Eiby (Head of Junior School)

or

- Jayne Acutt (Deputy Principal)⁴.

Dealing with Report of Inappropriate Behaviour

A staff member who receives a report of inappropriate behaviour must report it to the Principal. Where the Principal is the subject of the report of inappropriate behaviour, the staff member must inform a member of the school's governing body⁵. Reports will be dealt with under the school's Dispute Resolution/Complaints Handling Policy.

Reporting Sexual Abuse⁶

Section 366 of the *Education (General Provisions) Act 2006* states that if a staff member becomes aware, or reasonably suspects in the course of their employment at the school, that any of the following has been sexually abused by another person:

- a) a student under 18 years attending the school;

- c) a person with a disability who:-
 - under section 420(2) of the *Education (General Provisions) Act 2006* is being provided with special education at the school; and
 - is not enrolled in the preparatory year at the school

then the staff member must give a written report about the abuse or suspected abuse to the Principal or to a director of the school's governing body immediately.
