

# BusMinder Parent App

Ipswich Grammar School together with Ipswich Girls' Grammar and Ipswich Junior Grammar School have implemented a new software application for tracking and monitoring student travel in 2024.

## BusMinder

BusMinder provides the security of knowing your child has boarded their bus and arrived at their destination. Using real-time information, BusMinder lets you know exactly where your child is at any point during their commute.

## Get the Parent App

Parents can download the BusMinder Parent App from the iTunes Store/ Google Play.

## Login & Password

To login to the BusMinder Parent App you will need:

- **Username** – your email address on file with the school
- **Password** – click forgot password. A link will be emailed to you to create a new password
- **Login** – use the information to login to the Parent App

## Key Information

- Students use their Student Card to board and disembark the bus.
- Receive an optional alert every time your child boards or disembarks.
- Ensure your child is on the right bus and view the bus location in real time.
- Notifications on service delays sent directly to your smart phone.

## Parent App Settings

- Select the Route option at the bottom of the screen, navigate to All Routes to select the service your child utilises. Click the ★ to save as a Favourite.
- Navigate to the Student option at the bottom of the screen to view services your child is registered to.
- Option to change the notifications for each student.
