## **CASUAL PASS**

Casual passes are available to students who are not regular travellers on the charter bus services. A maximum of 10 passes per term will be issued to a student. Casual passes are charged at \$15 per pass and will be billed to the parent account. Additional passes will not be issued, students will need to move to a Half Fare Pass should they require greater than 10 passes in any one term. A Charter Bus Application form will be required to be submitted to maintain a record for student safety. Students are required to tap on and tap off for every trip.

## **HALF FARE PASS**

Half fare passes are issued to students who are regular travellers on the charter bus service and who travel between 1 and 5 trips per week. The pass rates are determined by the start point/destination. Students are required to tap on and tap off each journey with their Student Card (Girls') or Bus Card (Junior) for student safety and reporting. Half fare passes are not transferable and trips do not roll over. Should a student exceed five trips per week, contact will be made to discuss transferring to a full fare pass.

## **FULL FARE PASS**

Full fare passes are issued to students who are regular travellers on the charter bus service travelling between 6 and 10 trips per week. Pass rates are determined by the start point/destination. Students are required to tap on and tap off each journey with their Student Card (Girls') or Bus Card (Junior) for student safety and reporting.
