Notice of Withdrawal

The withdrawal of students from enrolment in the EEC requires the School to fill the vacancy created. This takes approximately two (2) weeks. Accordingly, parents must ensure two (2) weeks' notice of withdrawal is given in writing to the School. If two (2) weeks' written notice is not received, two (2) weeks' fees will be charged in lieu of notice. Where a child changes from full time to part time, unless the School can find a replacement enrolment, two (2) full time weeks' fees will be payable. Parents are requested to return all outstanding books and school property and to obtain a final clearance from the School on the final day of attendance.

**No Child Care Subsidy or Additional Child Care Subsidy is payable for any session of care that occurs after the last day a child physically attended care at the provider. This means if you submit a withdrawal date and the student is absent on his/her final days, childcare subsidy will not be paid for the absent days.*

Rules regarding number of absence days

Under the Child Care Management System (CCMS) your child is eligible to receive subsidies for an initial 42 days of absences, per financial year, which can be used for any reason and without proof of circumstances (includes public holidays). Once the initial 42 absence days have been exhausted, additional absences may be claimed in certain circumstances.

The Family Assistance Office (FAO) will maintain a count of absences used by your child across all services for the financial year.

You can obtain details of your absences claimed by the Early Education Centre (EEC), including a count of absence days used, via the online statement available to you through the online services section of the FAO's website.

Late Pick Up Penalty Fees

A late fee will apply if your child is left at the centre after 6.00pm (closing time).

The fee is \$10.00 for the first 10 minutes or part thereof and \$1.00 per minute thereafter.

Approved Absence Fee Reduction

Parents can nominate up to four (4) weeks throughout the School year when they will be on vacation and their children will not be present at the EEC. During these weeks, parents will pay the reduced rate of 50% of their usual rate as determined by their enrolment schedule i.e. 10 days per fortnight or 5 days per fortnight. This reduction can only be applied for full weeks as per your weekly schedule with a minimum of ONE (1) week. The EEC must receive written notification, four (4) weeks in advance, when requesting approved absence fee reduction.
